**"Every Gvian, every seat, every day on time ."**

Punctual and regular students are not only an asset to any institution but they also set examples for others . It is the matter of pride to state that the average monthly attendance of classes 1to 10 is above 90% which by all standards is high. We perceive it as a healthy academic environment, which provides great experiences .

### Emblazonry programs

A student passes through various stages of learning and growth and all the stages of growth work as a ladder step which takes him towards his final goal in life. To make the students effectively trained ,counseling sessions and workshops were conducted for enrichment of knowledge of students-

Real excellence is when the academic knowledge is used efficiently to get through the competitive exams. Gyan Vihar provides a platform of learning. Gyan Vihar prepares its students for NEET, NTSE, JEE, CLAT, CPT , etc.

### Geography Lab

One of the grand endeavors for Gyan Vihar this year was the inauguration of its very own Geography lab which is a well equipped lab with modern geographical apparatus, maps and models to provide ample of opportunity to the students to observe and learn concepts and facts easily.

### Lingua Labs

The school language laboratories are equipped with the latest audio visual technology for the learners to learn French and English that are offered to the students from grade 2 onwards.

### ATAL Tinkering Lab

ATL provides a platform for the students to explore and experiment with their scientific skills. It brings out the potential of students from class 1 to 12 by providing a plethora of experiments and opportunities. It also helps the students in enhancing their knowledge about the latest trends of technology viz 3D printing, machine hearing, AI, and coding robotics.

### Black Board Radio

BBR is intended at empowering students with speaking ability. Various sessions were conducted throughout the session 2022-23, where students were taken to the BBR studio and enhance their speaking skills. The students were provided with a chance to speak and hear their own speaking and improve accordingly.

### Student Committee

To indoctrinate leadership quality and sense of responsibility in students, the school elected a student council that pledged to bestow their duties under the guidance of teachers to the best of their abilities.

### Teachers Orientation Program

Teachers are the biggest inspiration to the students. Gyan Vihar is a firm believer in shaping the future of its students by empowering its teaching faculty and giving all resources to its teachers in performing their best to bring better results for students.

Teachers are given opportunities to attend various talks and seminars during the academic year. With the help of the management, various new projects and ways of teaching were executed.

Teachers also attended the workshop and sessions which was held by Central Board Of Secondary Education.

### News Letter

The school has started publishing a monthly newsletter wherein all the activities and events of the whole month are covered.

### Library

The library of Gyan Vihar School is a treasure trove. In this academic session, our library is now richer by more books. A lot of credit goes to the school Principal Mr. Rakesh Upadhyay who love books and also wants to create a reading habit among the Gvians.

### Parents Teacher Meeting

The year could not have been as successful without the efforts and guidance of parents and teachers. Keeping in mind the value and learnings, the school scheduled PTMs at regular intervals. The feedbacks of parents have been invaluable input in addressing various issues of students. The teachers also get the opportunity in these meetings to make the parents aware of their child performance.

### Conclusion

"What sculpture is to a block of marble, education is to a human being" \_ J. Anderson. Education is the ability to meet life's situations.

Once again we thank all our stakeholders for there support and cooperation.

We seek the blessings from the God Almighty to help and guide us in the future in the right direction.

(Let noble thoughts come to us from every side).

Thank you.
