# Bal Bhavan – where little smiles grow every day.

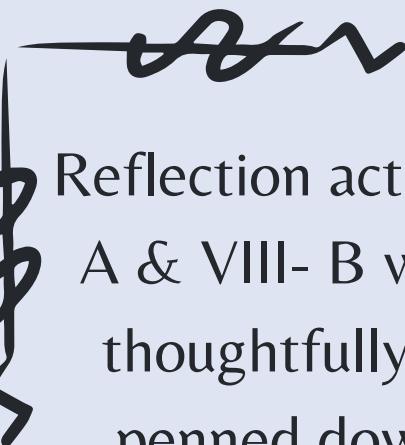

A Spell Bee activity was conducted for Class 9A. Round 1 included words from newspapers and books. In Round 2, students spelled the words and wrote their correct spellings.

The activity helped improve vocabulary and spelling skills.

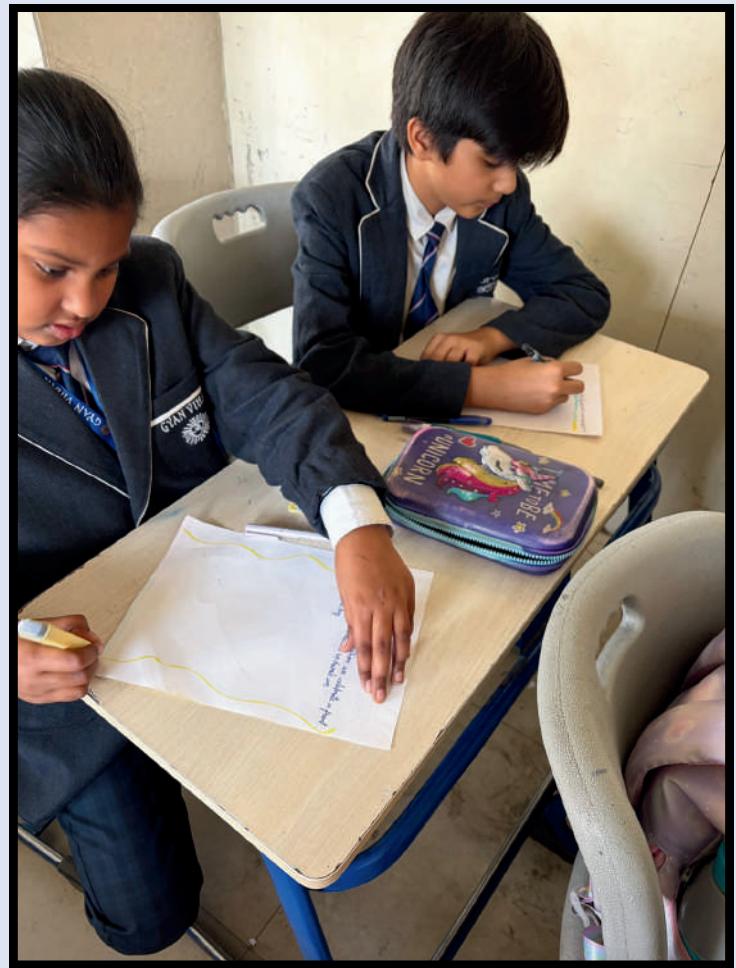

Reflection activity in class VI-A & VIII- B where students thoughtfully revisited and penned down their most cherished moments of 2025 on a sheet of paper, celebrating memories, growth, and joy.

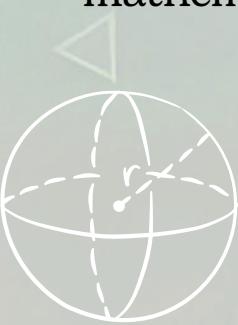

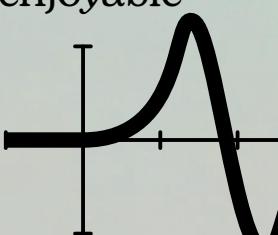

The Mathematics Department successfully organized Maths Week, offering students a range of fun and activity-based learning experiences. Activities like Clock Making, Origami, Market Mela, Perfect Circle Drawing, and Classroom Surface Area Measurement strengthened conceptual understanding through hands-on learning.

The week concluded with the screening of educational and inspirational mathematics-based movies, making learning stress-free and enjoyable

A homecoming of pride  
Our alumna Tanvi Mathur, now  
in Rajasthan Judicial Services,  
inspiring young minds as Chief  
Guest.

# *Valuable feedback from our Chief Guest 'Ms. Tanvi Mathur '*

Being invited as the Chief Guest to my alma mater's Annual Function was an experience filled with gratitude, nostalgia, and pride.

This institution gave me more than academic knowledge—it instilled values, discipline, confidence, and a belief that effort and integrity truly matter. Interacting with the students & faculties brought back countless memories and reaffirmed the timeless spirit of the institution.

I am truly honoured and humbled to have been invited back in this capacity. This moment will always remain special to me—not as a measure of achievement, but as a reminder of where I started and the people who helped me along the way. I will always carry a deep sense of pride in being an alumnus of this institution.

## *Valuable feedback from our Alumna, Ms. Manaswini Sharma*

It was deeply special to return to my alma mater for a Kathak recital at Prakatyotsav 2025, not just as a performer but as an alumnus shaped by this very space.

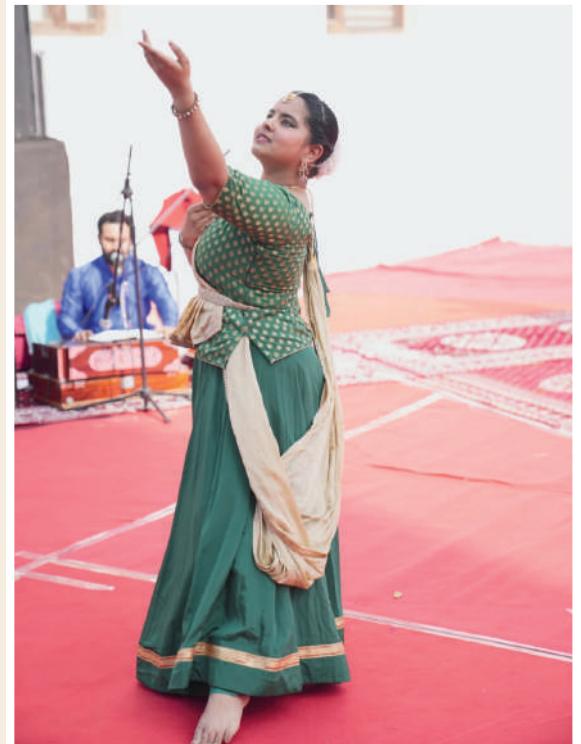

The last time I presented a solo Kathak recital was in December 2015, and stepping onto the stage again in December 2025 felt like a quiet full circle, ten years of

learning, unlearning, and growing with the art.

I am deeply grateful to the school for the invitation, the warmth, and the continued faith in its alumni.

Some bonds truly remain unchanged—only deepened with time.

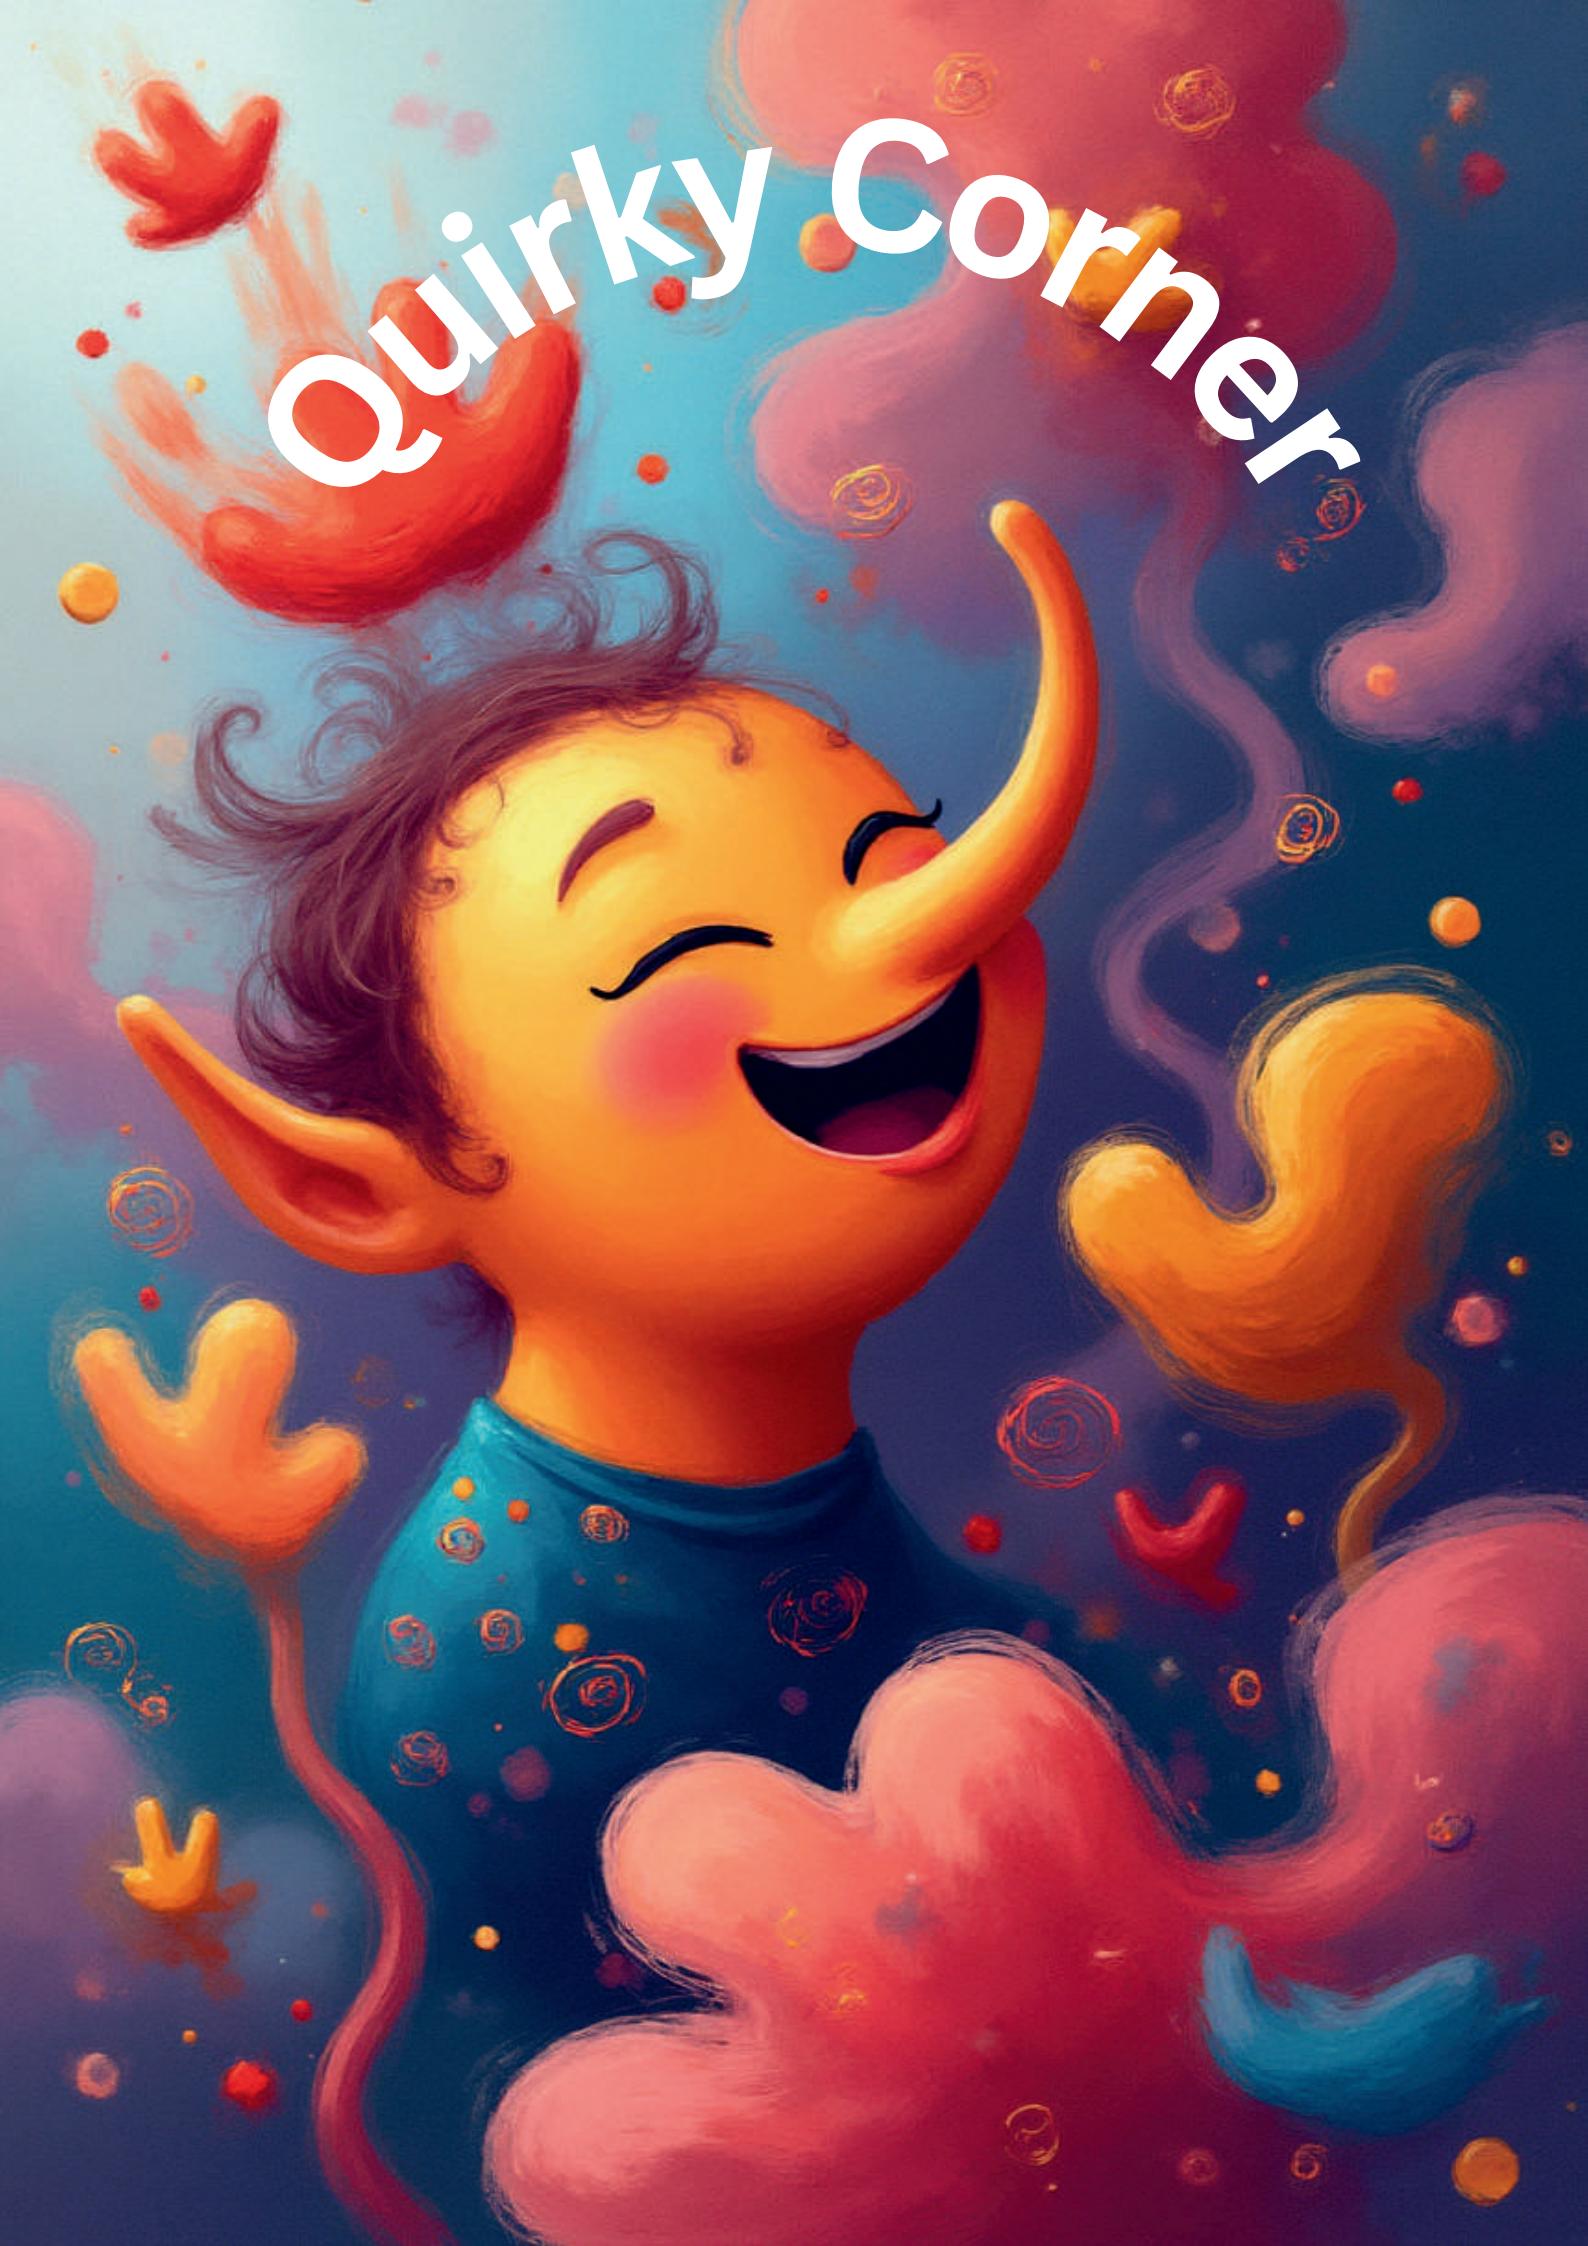

Where devotion finds its voice and young hearts become instruments of divine grace – Radha Govind Prakatyotsav.”

where every note  
echoed faith, love,  
and timeless  
devotion
